Training & Learning

- **Just Not Video Editing Cohort – Tharun Speaks**
 - Learned professional video editing techniques using Adobe Premiere Pro and After Effects.
 - Practiced storytelling, pacing, hooks, transitions, and motion graphics.
 - Worked on practice-based edits inspired by real-world content formats.

Practice Projects

- Edited short-form videos (Reels/Shorts) focusing on engagement and retention.

- Created animated text, lower-thirds, and simple motion graphics.
- Performed basic audio cleanup and color correction for visual consistency.

Career Objective

To begin my career as a Video Editor where I can apply my creative skills, gain real-world experience, and grow professionally while contributing to engaging and high-quality digital content.
